

9410L

Flashlight

Less than 3lbs + 2207 lumens = brightest & lightest in its class At less than 3 pounds and 2207 lumens, the new 9410L LED Lantern packs the power without the weight. Four LEDs, powered by the latest generation Lithium-Ion batteries illuminate a distance of 495 yards (453 meters). And it's loaded with innovative technology and features you have come to expect from Pelican. The 9410L LED Lantern is one of the most compact, high output lanterns on the market.
